## FORGING PARTS

The image displays a collection of forged metal components. On the left, a vertical strip shows seven different flange-like parts. The main area contains several larger images: a pair of elbows (top left), a large curved elbow (top center), a tee fitting (top right, labeled MB000237), a large valve or fitting (middle left), a set of three curved elbows (middle center), a pair of flanges (middle right, labeled MB005230), a pair of tees (bottom left, labeled MC836577), a large valve or fitting (bottom center), and another pair of flanges (bottom right). A certification logo for ISO 9001:2015 SGS is located in the bottom right corner.

ISO 9001:2015 SGS

ID 09/ 1393
