Dear author

We are happy to announce that the IJI is now **Scopus Q1**.

You have amendments from reviewers. Could you please amend on attached file "Article 080621\_for revision" and send back your revised article and the list of explanations of the revisions done via e-mail (iji@ogu.edu.tr) as an attached file as soon as possible?

So far, a lot of articles have been published in the International Journal of Instruction on a wide range of subjects. To promote our international and scientific community, we kindly ask our writers to make references to other articles published in our journal. By doing this, you will help us to improve the IJI and as other writers will possibly reference your article, your article gets citations. Thus, as a final touch, **we kindly ask you to make references to two or more articles from the IJI.**

Sincerely yours,  
International Journal of Instruction
